

Name _____ Unit 4 Study Guide

1. Order the objects from longest to shortest.

Longest Desk
ruler
Shortest ball

2. Mrs. Meier used tiles to measure the marker. Do you agree that it is measured correctly? Why or why not?
(2 possible answers)

- ① NO, because her units are not the same.
- ② NO, because she has gaps between her measurement units.

3. Measure the lines below using small paperclips.

2 paperclips long

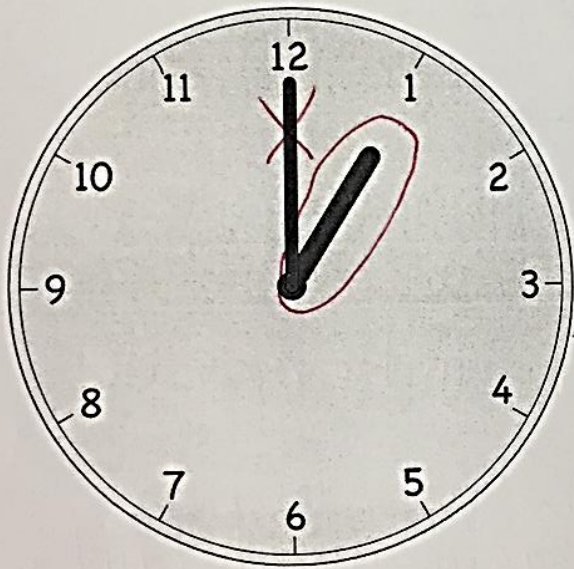

1 paperclips long

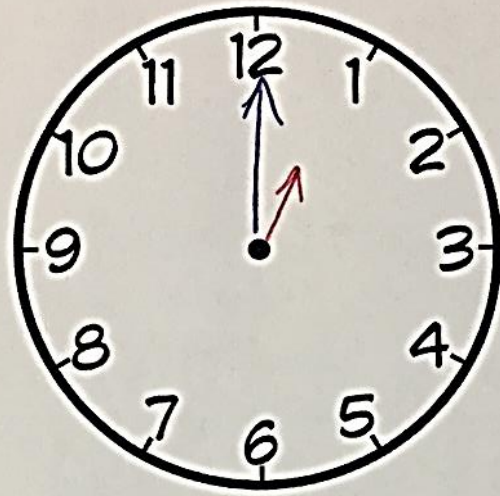

4 long

** We use whole numbers only.*

4. Use the clock below. Circle the hour hand & put an 'x' on the minute hand.

5. Our class goes to recess at 1:00. Draw the clock to show when we go to recess.

6. Write the digital times that are shown on the analog clocks.

7 : 30

3 : 00

7. If the minute hand is pointing to the 6 (half past the hour) where is the hour hand?

half way between 2 numbers.

8. Use the table to complete the questions.

Our favorite candy

Rolo's		4
Reese's		3
Skittles		2

Which candy had the least likes? Skittles

Which candy had the most likes? Rolo's

How many fewer children chose Skittles than

Rolo's? 2 $4 - 2 = 2$

9. How many children answered the question about their favorite candy? 9

$$4 + 3 + 2 = 9$$
